

NITIN KUMAR

Electronics & Communication Engineering | MANIT Bhopal

Phone: +91 7870970840 Email: nitinkumargupta613@gmail.com

LinkedIn: www.linkedin.com/in/nitinnitb

Career Objective

First-year B.Tech ECE student at MANIT Bhopal with a strong grip on C/C++ and Data Structures & Algorithms. Driven by a passion for competitive programming, cybersecurity, and systems thinking — with hands-on experience organising technical events and building real-world projects. Aiming to leverage academic foundations and practical exposure to contribute meaningfully to challenging engineering problems and research-driven environments.

Education

Maulana Azad National Institute of Technology (MANIT), Bhopal 2025–2029
B.Tech – Electronics & Communication Engineering | Current SGPA: 7.80 | Semester: 2nd

Technical Skills

- **Languages:** C, C++
- **Core Concepts:** Data Structures & Algorithms (DSA)
- **Tools:** VS Code, Git, GitHub

Competitive Programming

LeetCode Active

- Solved 200+ algorithmic problems spanning arrays, strings, sorting, and data structures

Codeforces Active

- 80+ problems solved; achieved a maximum rating of 1125

Leadership & Workshops Organised

Cybersecurity Workshop Organiser | OWASP Cybersecurity Consortium

- Conceptualised and organised a hands-on cybersecurity workshop.
- Coordinated speakers, logistics, and participant engagement for 50+ attendees, fostering a security-first mindset on campus

Hackathons & Competitions

Photon Race Competition | Participant

- Competed in an Optical Communication Robotics challenge requiring precision logic to transmit messages from a laser transmitter to a photosensor receiver.

Noobathon (Hackathon) | Winner

- Built a privacy-focused web app using Python (Flask) to hide encrypted text inside images using steganography — without any visual distortion.

Certifications & Workshops Attended

- **Data Structures & Algorithms Workshop** | Vision CSE
Covered foundational DSA problem-solving concepts
- **AI & Machine Learning Workshop** | IEEE MANIT:
Introductory exposure to AI/ML workflows in an interactive IEEE-led session

Soft Skills

Team Leadership · Event Management · Problem-Solving · Collaboration

Extracurricular Activities

- **Maffick (Cultural Fest):** Active participant in MANIT's annual cultural festival
- **Tech Community:** Member of the campus coding community, engaging regularly in peer learning and contests

Hobbies & Interests

- Playing E-Games
- Watching Web Series
